**Why Choose Us?**

**Top 3 Reasons**

Delivering ethical, evidence-based medical practice with focus on clinical dermatology and disease cure with affordability

We operate on appointment based, software driven digital system. So the average waiting time is way less compared to other clinics, although it may vary from 5-10 mins.

We strictly do not endorse/prescribe a medicine/product for mere sales purpose, rather we deliver minimal prescription with essential products focusing on the cure.
